

The First Four Kingdoms of Living Things

With an Appearance by Viruses

Characteristics	Physical Appearance (shapes, cell parts)	Respiration (do they need O ₂ ?)	Nutrition (how and what they eat)	Reproduction (asexual or sexual and by what method)	Interesting Facts (cool facts, helpful or harmful, <i>etc.</i>)
Archaeobacteria					
Eubacteria					
Protista					
Fungi					
Viruses					

If you need more space, feel free to enlarge the chart to two pages. You will achieve the best grade by following the rubric and by putting in some effort rather than just basic answers or simple yes and no answers.

3	2	1
<ul style="list-style-type: none">- All boxes complete with several points per box and thorough answers- Good use of various resources in addition to textbook and notes- Tidy presentation	<ul style="list-style-type: none">- Some boxes incomplete or only one or two points per box.- Only textbook and notes used- Some untidiness	<ul style="list-style-type: none">- Most boxes incomplete or contain minimum information- Only textbook or notes used- Sloppy presentation
