Nervous System				
Reproduction				

Kingdom Animalia - Vertebrates

Characteristics	Class Reptilia	Class Aves	Class Mammalia
Digestion			
Circulation			
Respiration			
Nervous System			
Reproduction			

Complete the chart by indicating key points for each phylum in each category. You most certainly will need more space, so feel free to enlarge the chart to two pages. You will achieve the best grade by following the rubric and by putting in some effort rather than just basic answers or simple yes and no answers.

3	2	1
<ul style="list-style-type: none">- All boxes complete with several points per box and thorough answers- Good use of various resources in addition to textbook and notes- Student demonstrates understanding of the trends- Tidy presentation	<ul style="list-style-type: none">- Some boxes incomplete or only one or two points per box.- Only textbook and notes used- Understanding of the trends is incomplete- Some untidiness	<ul style="list-style-type: none">- Most boxes incomplete or contain minimum information- Only textbook or notes used- Understanding of the trends is unclear- Sloppy presentation
